for SaaS or On-Premise Ops

Easy Customization

extensible and secure

Derive your own Model
from EBUCorePlus

Privacy & Maintenance
import own your data in
your private environment

Happy to support you
to integrate with EBUCorePlus

EBUCorePlus Demonstrator Kit - CDK -

Live Demo

by

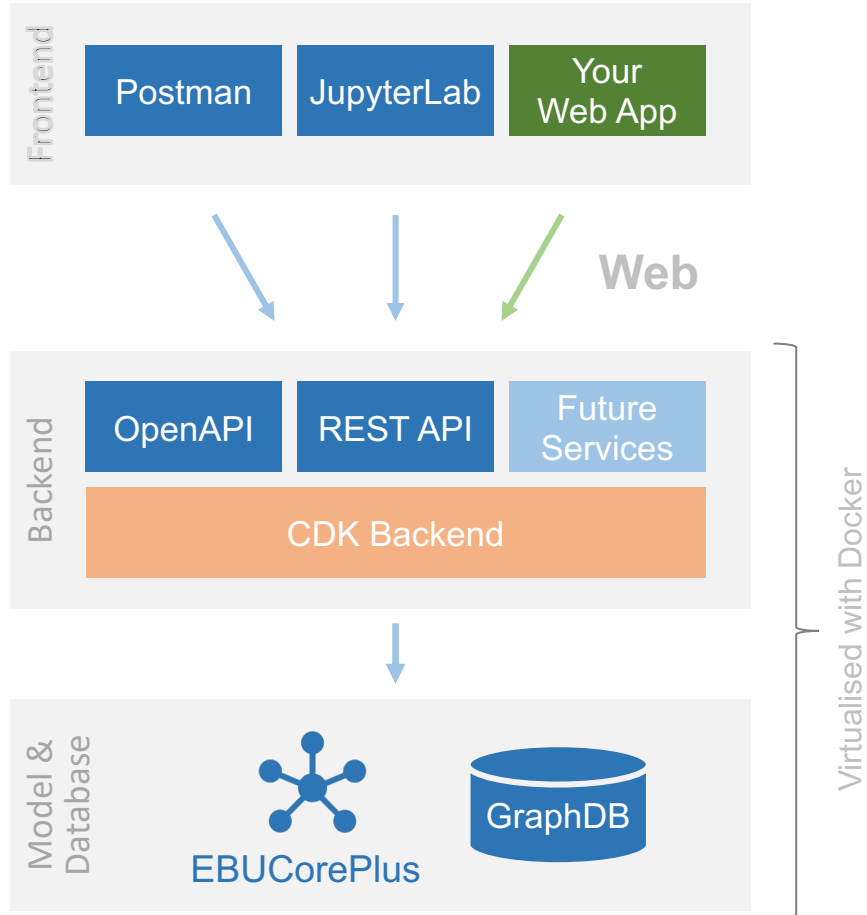

Ashesh Goplani

CDK LIVE DEMO

As a developer, I want to use the **EBUCorePlus CDK** to ...

- › Navigate the Jupyter Notebook
- › Understand Classes
- › Visualize Class Hierarchy
- › Understand Class Hierarchy in Table Form
- › Understand Class Properties
- › Work with Individuals
- › Personalize the Notebook
- › Understand Deployment Modules
