Digital Radio Receiver Profile Summit

Version 10.1

Geneva, 19th March 2009

Draft Programme

Thursday, 19th March 2009

Session 1: Digital Radio Receiver Profiles – a health check

Peter MacAvock (EBU)

08:30-09:30	Workshop Registration	
09:30-09:35	Welcome	Lieven Vermaele (EBU)
09:35-09:50	EBU TECHNICAL's work on Digital Radio	Mathias Coinchon (EBU)
	Harmonising receiver profiles across different digital media, surveying members on their plans and working to bring implementation guidelines up-to-date.	
09:50-10:10	EICTA and Digital Radio Receiver Profiles	Andreas Schneider (Sony)
	Work in EICTA on Digital Radio Receiver Profiles; implementation issues and plans for future work in the area	
10:10-10:30	WorldDMB	Quentin Howard (WorldDMB)
	What work is going on to improve the specification of the Receiver Profiles. Are there any issues which the Workshop can help with, e.g. interoperability experiences	
10:30-11:00	Coffee	

Session 2: Receiver Profiles and Broadcast Services

11:00-11:15	Switzerland	Andreas Schneider (Sony)
	Which profile? When? Implementation issues.	
11:15-11:30	Germany	Roland Beutler (SWR)
	Which profile? When? Implementation issues.	
11:30-11:45	Nordig Countries	John Jensen (NRK)
	Which profile? When? Implementation issues.	
11:45-12:00	Australia	Joan Warner (Com. Radio Aust)
	Which profile? When? Implementation issues.	

12:00-12:15	France	Charles-Emmanuel Bon (RTL)
	Which profile? When? Implementation issues.	
12:15-12:30	UK	John Ousby (BBC)
	Which profile? When? Implementation issues.	
12:30-12:45	Italy	
	Which profile? When? Implementation issues.	
12:45-13:00	Round Table on Country implementation	
	<ul style="list-style-type: none"> • China • Spain • Malta • Netherlands 	
13:00-14:00	Lunch	

Session 3: Receiver Profiles and Receivers

14:00-14:30	Implementing Receiver Profiles – a roadmap	
	What's required and what's the roadmap	
14:30-15:00	In-car receivers and digital radio receiver profiles	Jean Sabaldi (Continental AG)
	How do they apply? What's the car industry's view. Will there be a different approach to profiles than for fixed receivers?	
15:00-15:30	Roadmap for Receivers	Colin Crawford (PURE Digital)
	How do they plan to implement the different profiles. What's the roadmap. Are there any issues?	
15:30-16:00	Coffee	
16:00-17:00	Concluding Round Table	
	<ul style="list-style-type: none"> • Conclusions for trends in broadcasting offering, • Trends in Receiver offering • Health check for Receiver Profiles 	
17:00	End of Workshop
